

CHARTER FOR SABRE CORPORATION TECHNOLOGY COMMITTEE

I. Statement of Purpose

The Technology Committee (the "Committee") is a standing committee of the Board of Directors (the "Board") of Sabre Corporation (the "Company"). The purpose of the Technology Committee is to (i) ensure that the Company's technology programs support the Company's business objectives and strategies, and provide for appropriate data security and data privacy, (ii) advise the Company's senior technology management team; (iii) advise the Board on technology-related matters; and (iv) in coordination with the Audit Committee, overseeing risks related to the quality and effectiveness of the Company's information technology security, data privacy and disaster recovery capabilities.

II. Organization

A. *Charter.* At least annually, this charter shall be reviewed and reassessed by the Committee and any proposed revisions shall be submitted to the Board for approval.

B. *Members.* The Committee shall consist of such number of members of the Board as shall be appointed by the Board from time to time, but in no event shall the Committee consist of fewer than three members. The Board shall also designate a Committee Chair.

C. *Meetings.* In order to discharge its responsibilities, the Committee Chair shall each year establish a schedule of meetings to be approved by the Board; additional meetings, as required, may be scheduled by the Committee Chair or the Chair of the Board. Meetings of the Committee may be held in person, virtually telephonically or through other mediums.

D. *Quorum; Action by Committee.* A majority of the members of the Committee shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members present at a meeting duly called and held, except as specifically provided herein (or where only two members are present, by unanimous vote). Any decision or determination of the Committee reduced to writing and signed by all of the members of the Committee (including by means of electronic transmission) shall be fully as effective as if it had been made at a meeting duly called and held.

E. *Agenda, Minutes and Reports.* The Committee Chair shall, in consultation with the Chair of the Board and the CEO, determine the agendas for meetings of the Committee. An agenda, together with materials relating to the subject matter of each meeting, shall be sent to members of the Committee prior to each meeting. Minutes for all meetings of the Committee shall be prepared to document the Committee's discharge of its responsibilities. The minutes shall be circulated in draft form to all Committee members to ensure an accurate final record, shall be approved at a subsequent meeting of the Committee and shall be distributed periodically to the full Board. The Committee shall make regular reports to the Board on matters within the scope of the Committee's responsibilities, as well as any special issues that merit the attention of the Board.

F. *Performance Evaluation.* The Committee shall evaluate its performance on an annual basis and develop criteria for such evaluation. The Chair of the Committee shall report the Committee's conclusions to the Board and may make recommendations for improvement.

III. Responsibilities

The following shall be the principal responsibilities of the Committee:

A. *Appraisal of Technology Projects.* The Committee shall appraise and review the financial, strategic and operational benefits of proposed major technology-related projects, including impact on the Company's performance, growth and competitive position. The Committee shall also appraise and review the progress of major technology-related projects.

B. *Recommendations to the Board of Directors on Technology Strategies.* The Committee shall make recommendations to the Board with respect to technology-related projects and investments that require Board approval. The Committee may also make recommendations to the Board as to scope, direction, quality, investment levels and execution of the Company's technology strategies.

C. *Monitoring Technology Security Systems.* The Committee, in coordination with the Audit Committee of the Board, shall periodically review, appraise and discuss with management the quality and effectiveness of the Company's information technology security, data privacy and disaster recovery capabilities.

D. *Cooperation with the Audit Committee.* The Committee will, as requested, consult with the Audit Committee of the Board regarding technology systems and processes that relate to or affect the Company's internal control systems.

E. *Guidance on Technology.* The Committee shall stay informed of, assess and advise the Company's senior technology management team with respect to existing trends in information technology and new technologies, applications and systems that relate to or affect the Company's technology strategy or programs, including artificial intelligence.

F. *Delegation.* Unless otherwise prohibited by the Company's Certificate of Incorporation or Bylaws, the Committee may form and delegate authority to any subcommittee as it deems appropriate or advisable.
